BUTTON

COLLECTION

DESIGN
iLuxus

PERISTYL BUTTON

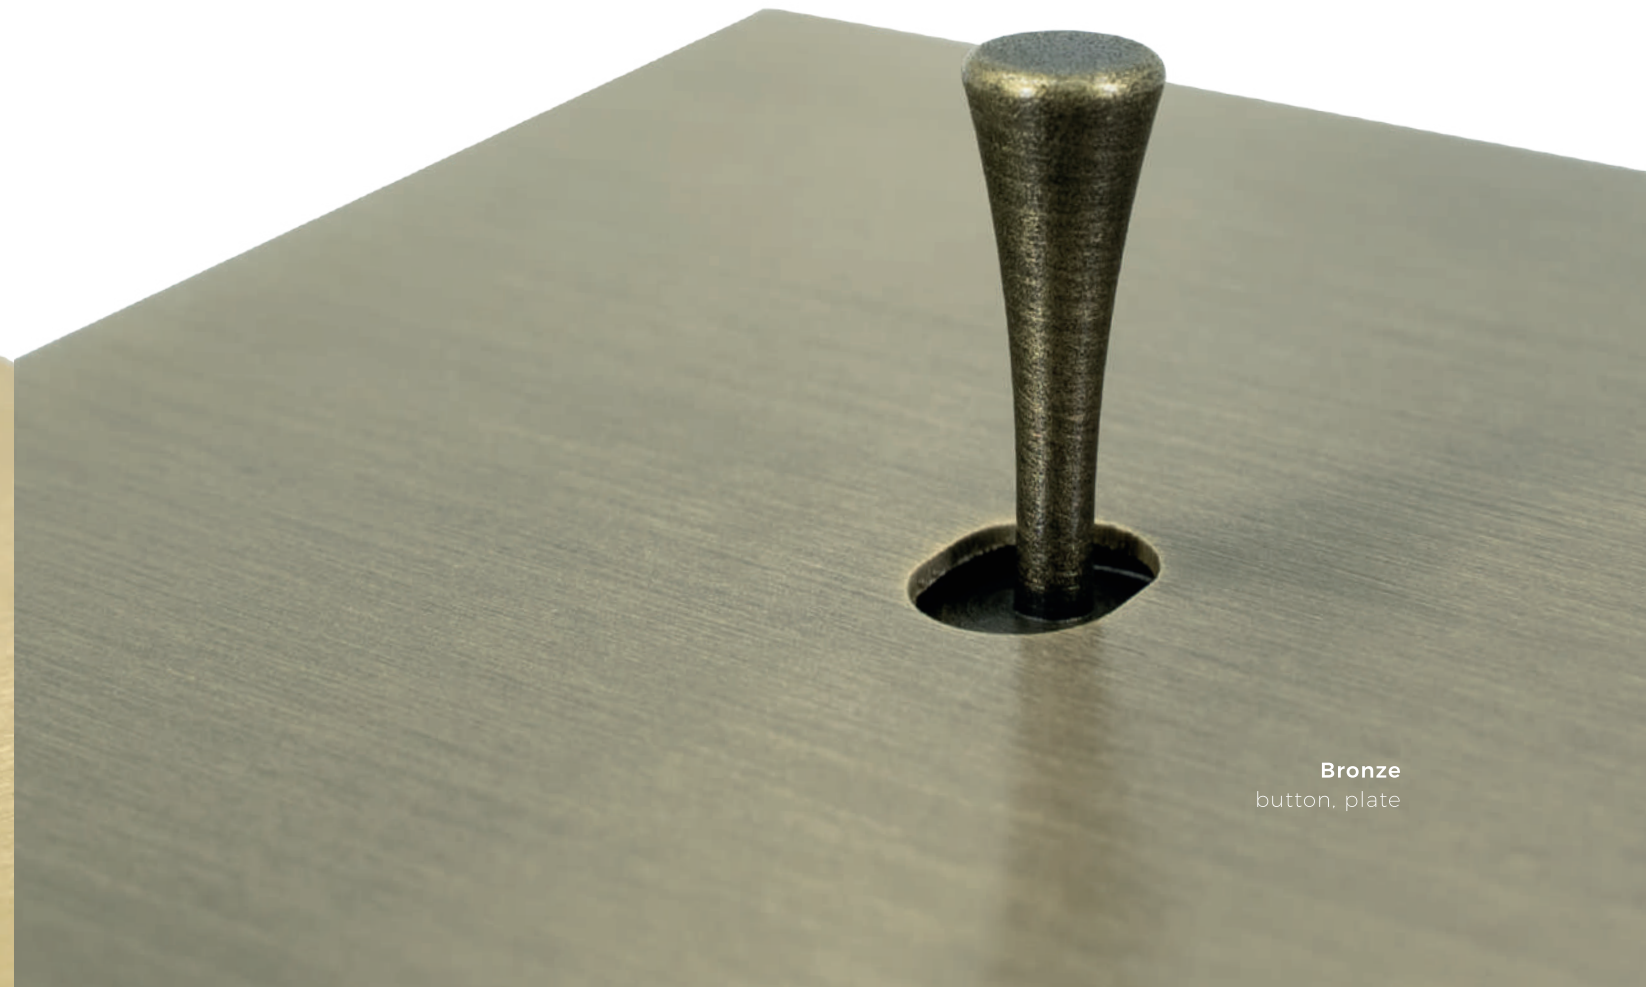

Peristyl, the one difference as a custom-made. It is made according to a historical. The building was constructed in the ancient Greek inner courtyard. The cylindrical shape in the Perstyle style offers striking user-friendliness and added value in elegance and simplicity.

Brushed Gold
button, plate

CELLA BUTTON

The name of a sacred place where the ancient Clergymen can see Cella, who is the greatest who took part of the people who lived in the temples of worship. It sends a message from the history with its unique design. Cella is the harmony with visual style from different angles of vision.

Bronze

HERA BUTTON

Hera, named after the columns of the doricorder in historical Rome, brings a new dimension in the aesthetic and classic segments. The button is connected with the metal surface it carries. It links the past with the present.

Brown
button, plate

ODEON BUTTON

Inspired by the name of the special structures in the Hellenistic era, it offers an Odeon which is a visual acoustic name in history. Unlike the others with rounded individual lines, it is designed with a cosmic touch.
